Holiday Homework

Class – IV

English:

- Create an album reflecting 5 important and treasured moments of your life. Use the pictures and give interesting and relevant captions to them.
- Watch videos of a famous Indian magician and a famous European / American magician (like Dynamo). Describe in your own words. Whose tricks you liked the best and why?
- Grammar Magic : Do page No. 65, 73, 79, 89, 143, 126 New Tree Top – Page Nos. 13 to 29
- Solve the worksheets (I & II) uploaded on the school website.

Mathematics:

- Precise Mathematics: Page No.14, 15 (Ex. 2C Q1 and Q2), 17 (E x 2D Q1 and Q2); 19, 20, 21.
- Solve the practice sheet-2 in Maths-2 notebook. (uploaded on the school's website)

Social Studies:

Collect information on the "Importance of forests" to us. You have to suggest ways to save trees, conservation of forests and the steps taken up by the govt. to prevent trees from being cut down. Write at least one page in your register keeping all the above points in mind.

Science:

Find out the names of 5 food items each and write them under the correct heading in the food table, keeping the nutritive value of each in mind. (do it in an art sheet)

| GOOD FOR EYES | GOOD FOR BONES & TEETH | GOOD FOR BLOOD | GOOD FOR HEART | GOOD FOR PROVIDING ENERGY |
|---------------|------------------------|----------------|----------------|---------------------------|
|---------------|------------------------|----------------|----------------|---------------------------|
